

European Physical Map

Remember that neatness, accuracy, & good spelling are all important to mapping. If your map does not have these qualities, you will lose points. For best results, follow the instructions exactly.

Use the Physical Map on pp. A18-19 as a guide for this assignment.

1. *Mountain Ranges* → Using a **BROWN** colored pencil make ^{^^^} marks to show each mountain range then label each of the following in **BLACK** colored pencil:
